

# Preventing Adverse Childhood Experiences

**Adverse Childhood Experiences (ACEs) Interface Training** teaches participants about adverse childhood experiences, toxic stress, and how adversity in childhood can impact adult health.

Learn the steps to address trauma, how to create safe environments and improve relationships so that healing can begin and allow all children to reach their full potential.

**ACES Interface Training:** This two-hour training will provide a more in-depth look at the brain and the effects of trauma on the brain.

**Presenters:** Nana Amaniampong, Natrina Brooks and Joi Tramuel

**Date:** March 26, 2026

**Time:** 10 a.m. to 12 p.m.

**Location:** Microsoft Teams Meeting

\* Training session is limited to **30** participants.

**CLICK TO REGISTER**
