

Webinar - Behind the Curtain: A Discussion of Lessons Learned through Integrated Care Concept Planning

In this session, we will hear from David Coe, Executive Director, and Kiara Robinson, Behavioral Health Consultant, at Colonial Behavioral Health (CBH), a community service board and full-service behavioral health agency in Williamsburg, Virginia. We'll also hear from Angela Futrell, Chief Executive Officer at Southeastern Virginia Health System (SEVHS), a Federally Qualified Health Center.

Together, they will share their journey towards developing a highly integrated outpatient primary care/behavioral health practice in a newly developed facility, informed and adapted from the Cherokee Health model.
