

Historic Triangle Summit:

Building Resilience Through Collaboration

The Historic Triangle Drug Prevention Coalition, the Greater Williamsburg Trauma-Informed Community Network, and the Regional Kinship Navigator Program invite you to take part in presentations/trainings, learn about community resources and join in the discussion with our youth panel as we build resilience through collaboration.

This **FREE** event is open to parents/guardians, professionals and community members.

Keynote Speaker

Prevention Starts with All: The Chris Herren Story

Chris Herren, a talented NBA basketball player whose career was cut short by addiction. In 2011, he founded the Herren Project to promote healthy, substance-free living, reaching over 1 million students and community members, sparking honest discussions about substance use disorder and wellness.
