CONSENT CALENDAR:

The consent calendar was presented for approval of the following meeting minutes:

- May 6, 2025, Board of Directors Meeting
- May 20, 2025, Executive Committee Meeting

John Collins made a motion to accept the consent agenda as presented. Dr. John Shaner seconded the motion; all were in favor.

ACTION ITEMS:

A-1 Election of Officers – Fiscal Year 2026

The following proposed slate of officers for FY 2026 was presented to the Board for approval:

Board Position	Nominee	Locality
Chair	Ryan Ashe	James City
Vice Chair	Wendy Evans	Williamsburg
Secretary	Amber Richey	York County
Treasurer	John Collins	York County
Member At-Large	Erin Otis	James City

John Collins made a motion to approve the proposed slate of officers to the CBH Board of Directors for FY 2026; Roy Witham seconded this motion. All were in favor.

A-2 Approval – Fiscal Year 2026 Operating Budget (N. Parsons)

The proposed budget (effective dates are July 1, 2025, through June 30, 2026) reflects planned revenues and expenditures based on what we know for FY 26. A revised budget will be presented to the Board during the year for the following reasons: CBH acquired additional PSH units, we expect to receive \$600k for Marcus Alert, and we have applied for workforce funding that is still pending.

Bruce Keener made a motion that the Board of Directors approve the proposed Colonial Behavioral Health FY 2026 Operating Budget. April Thomas seconded this motion.

A-3 Approval – 10-Year Capital Improvement Plan (N. Parsons)

CBH has not always maintained a Capital Improvement Plan separate from its operating budget although the agency is embarking on a planned long-term growth and building program — a separate CIP budget was presented to the Board. The plan was coded to note which items had identified funding sources. Staff commented that the board was acting on the items that were funded. Fundraising is not included in this plan; a future consideration would be to include fees associated with fundraising.

Bruce Keener made a motion that the Board of Directors approve the Colonial Behavioral Health 10-Year Capital Improvement Plan. John Collins seconded this motion and all were in favor.

A-4 Approval – Expenditures for Special Projects (N. Parsons)

The CBH Board's Executive Committee previously approved up to \$400,000 in one-time funds to

be used by the end of FY 2025 for facility improvement and maintenance projects, many of which are urgent. The amounts indicated on the spreadsheet have also been incorporated in the 10-Year Capital Improvement Plan. The Executive Committee has reviewed the proposal and recommends approval by the full board.

John Collins presented the motion from the Executive Committee that the Colonial Behavioral Health Board of Directors authorize high priority facility projects (HVAC, roofs and windows) totaling \$265,000, to be paid out of CBH reserves in FY26). Dr. John Shaner seconded this motion; all were in favor.

A-5 Approval – One-Time Staff Payment (N. Parsons)

CBH is one of the many CSBs without sufficient funding in FY 2026 to support a Cost-of-Living Adjustment (COLA) for staff compensation. There are sufficient one-time unrestricted funds in the FY 2025 budget to support a one-time payment (bonus) to current CBH staff in the last payroll of the current fiscal year.

Dr. John Shaner presented the motion from the Executive Committee that the CBH Board of Directors approves the one-time longevity bonus payment proposal not to exceed \$304,000.00. Tarun Chandrasekar seconded this motion.

A-6 Approval – Revision to CBH Bylaws (D. Coe)

CBH Bylaws are reviewed periodically to assure continued compliance with state and federal statutes, and to reflect the Board's wishes for effective operations as a governing body. A single amendment is currently recommended: the insertion of language requiring the Board to approve all individual expenditures over \$50,000.00. CBH's Board Attorney recommends approval of this Bylaws change.

Dr. John Shaner made a motion that the CBH Board approve the amended CBH Bylaws as attached. Amber Richey seconded this motion; all were in favor.

A-7 Approval – Amendment to Financial Management Policy (D. Coe)

Making a revision to CBH's Bylaws also requires a amendment to CBH's Financial Management Policy to ensure that both documents are aligned. The Financial Management Policy needs to include the same revision "including individual expenditures exceeding \$50,000.00." John Collins made a motion that the CBH Board of Directors approve the proposed revision to CBH Financial Management Policy #30 – Budget for the purpose of aligning agency policy with Bylaws. Dr. John Shaner seconded this motion; all were in favor.

A-8 Approval – Fiscal Agent Agreement with York County (D. Coe)

York County has been the fiscal agent for Colonial Behavioral Health since 1990. The County of York, Colonial Behavioral Health and the Treasurer of York County find it appropriate to set out and memorialize their respective obligations concerning the responsibilities for each party. All parties desire to establish a fiscal agency memorandum of agreement. This agreement has been approved by the York County Board of Supervisors.

John Collins made a motion that the CBH Board of Directors authorizes the Executive Director to execute a Fiscal Agency Memorandum of Agreement between Colonial Behavioral Health and the County of York. Dr. John Shaner seconded this motion; all were in favor.

A-9 Approval – Board Policy Review Calendar (D. Coe)

CBH has been working with the Executive Committee to develop a Board review calendar for agency governance policies. These policies will be reviewed on a regular basis. CBH created a Board SharePoint site to allow our Board members to review policies.

Dr. John Shaner presented the motion from the Executive Committee that the CBH Board of Directors approve the proposed Board Policy Review Calendar. April Thomas seconded this motion; all were in favor.

A-10 Approval – Amendment to PPEA Interim Agreement (K. Cook)

To authorize Henderson, Inc. to begin demolition, the existing interim agreement must be amended. Demolition costs were estimated at \$500,000 and included in the original project budget. The demolition cost is below the original budget estimate, Henderson Inc. recommends allocating an additional \$124,975 to get construction documents to 50% construction design as part of the Interim Agreement to keep the project moving until the Comprehensive Agreement is presented to the Board of Directors on July 25, 2025.

Dr. John Shaner made a motion to authorize the CBH Executive Director to amend Contract #C240325 – Interim Agreement with Henderson, Inc. – to include demolition of the existing building on the newly acquired property. The contract amendment shall not exceed \$485,529.00. April Thomas seconded this motion; all were in favor.

Action Items

FY 2025 Budget Items (Nancy)

Special Projects - An update was presented on the status of the facility maintenance projects authorized at the last Executive Committee meeting. To date \$115,801 has been encumbered to vendors. The remaining \$284,000 has not been encumbered due not having enough time to complete the remaining projects before the fiscal year end. A request was made by Nancy Parsons for the Committee to authorize the remaining high priority projects: HVAC, roofs and windows totaling \$265,000, to be paid out of reserves in FY26. Wendy Evans made a motion to approve this action. John Collins seconded this motion; it was passed unanimously. This is a proposal to move to the full board as a motion from the Executive Committee.

One-Time Payments to Staff – Unfortunately, CBH is unable to provide a rate increase for staff. In June 2025, CBH will receive funds from the state for the workforce which would allow CBH to offer a one-time longevity bonus. Wendy Evans made a motion to approve a one-time longevity bonus payment proposal not to exceed \$304,000.00. John Collins seconded the motion; it passed unanimously. This is a proposal to move to the full board as a motion from the Executive Committee.

Proposed FY 2026 Budget (Nancy)

A proposed budget having \$23,231,100 in revenues and \$23,231,100 in expenses was presented. The budget proposal represents a 1.6% reduction from FY25 largely due to federal revenue reduction. It includes a 1.3% increase in local funding but does not include a pay increase for employees. This topic will be a Board action item.

Proposed CBH Capital Improvement Plan (CIP)/Budget (David/Nancy)

Nancy presented the proposed CBH 10 Year CIP Budget. FY 26 and FY 27 show \$70,000 for State Reporting/Business Integration Software. A request has been made to the State for an additional \$500k for the Crisis Services Building. The proposed \$1M for the interim agreement for the administrative/outpatient building that is shaded in blue for FY26 may result in a request to the CBH board to allocate fund balance dollars if grant requests prove unsuccessful. This topic will be a Board action item.

Proposed Fiscal Agent Agreement w/York County (David/Nancy)

The proposed fiscal agent agreement with York County has been approved by our attorney. The Fiscal Agent Agreement will be voted on during York County's Board meeting this evening. This topic will be a Board action item.

:

CHAIR: Ryan Ashe (James City)

VICE CHAIR Wendy Evans (Williamsburg)

SECRETARY Amber Richey (York)

TREASURER John Collins (York)

MEMBER AT-LARGE Erin Otis (James City)

Adoption of CBH Fiscal Year 2026 Operating Budget

Background:

This proposed budget reflects planned revenues and expenditures based on what we know for Fiscal Year 2026. There remain a few outstanding questions remaining to be resolved related to allocations of some funds (new and one-time Permanent Supportive Housing being the largest of those), but the "big ticket" items are sufficiently known to allow us to present this budget with confidence. Any additional significant changes may need to be brought to the Board for allocation during the coming year.

This proposed budget's effective dates are July 1, 2025, through June 30, 2026.

Highlights of this **OPERATING BUDGET** primarily consist of:

- A small reduction in the total budget, primarily driven by reductions in Federal funding;
- No Cost of Living increase for staff;
 - Accompanied by a one-time payment to current staff in FY2026
- A 6% increase in employee health insurance premiums paid by the agency;
- Increased local funding levels from each locality; and

Colonial Behavioral Health 10-Year Capital Improvement Plan (CIP)

Background:

CBH has not always maintained a Capital Improvement Plan separate from its Operating Budget. Previously, CIPs have typically been related to specific projects. With the agency embarking on a planned long-term growth and building program, it also becomes imperative for us to incorporate capital budgeting as a regular part of our fiscal planning and management.

The attached Proposed 10-Year CIP is intended to show that some projects/expenditures include known sources of funds, while many (particularly those in future years) do not yet have identified funding sources.

For this proposed Plan (as shown on the attached spreadsheet), items shaded blue are planned but not yet funded; non-shaded items do have identified sources of revenue to support the expenditures. CIPs are "living" and "fluid" documents, regularly updated (at least annually) to reflect changing needs, priorities and realities.

Recommended Motion:

That the Board of Directors approve the Colonial Behavioral Health 10-Year Capital Improvement Plan.

CBH Special Project Funding Approval

Background:

The CBH Board's Executive Committee previously approved up to \$400,000 in one-time funds to be used by the end of Fiscal Year 2025 for facility improvement and maintenance projects, many of which are urgent. Contractor availability and supply chain issues will preclude several of these projects from completion by 6/30; therefore, a carryover of no more than \$265,000 is needed for these projects to be completed in FY 2026.

The amounts indicated on the attached spreadsheet align with (and have been incorporated into) the 10-Year Capital Improvement Plan.

The Executive Committee has reviewed the proposal and recommends approval by the full Board.

Motion from the Executive Committee:

That the Colonial Behavioral Health Board of Directors authorize high priority facility projects (HVAC, roofs and windows) totaling \$265,000, to be paid out of CBH reserves in FY26.

Approval - One-Time Longevity Bonus Payment to Staff

Background:

Colonial Behavioral Health is one of many Virginia Community Services Boards without sufficient funding in FY 2026 to support a Cost-of-Living Adjustment (COLA) for staff compensation. For CBH, the upcoming fiscal year represents the first year in many showing a net decrease in the Operating Budget.

However, there are sufficient one-time unrestricted funds in the FY 2025 budget to support a one-time payment (bonus) to current CBH staff in the last payroll of the current fiscal year.

The methodology for this payment has been developed jointly by our Finance and Human Resources departments and reflects a commitment to recognizing longevity while providing all non-probationary staff with a minimum payment of at least 1.5% of their regular pay.

We hope our budget can support additional recognition of our staff later during the fiscal year but will need to see how our budget performs to make this determination.

Motion from the Executive Committee:

That the CBH Board of Directors approves the one-time longevity bonus payment proposal not to exceed \$304,000.00.

CBH Bylaws Revision

Background:

CBH Bylaws are reviewed periodically to assure continued compliance with state and federal statutes, and to reflect the Board's wishes for effective operations as a governing body.

A policy review calendar is being proposed in this meeting that will establish a regular annual timeframe for approval of agency governance policies, as well as agency Bylaws. According to that proposed calendar, Bylaws will be reviewed at least annually.

A single amendment is currently recommended:

• Article IV, Section 1.q Insertion of language requiring the Board to approve all individual expenditures over \$50,000.00.

This amendment would become effective upon approval by the Board.

Please find attached a letter from our Board Attorney recommending approval of this Bylaws change.

Recommended Motion:

That the CBH Board approve the amended CBH Bylaws as attached.

Re: Amendment to Bylaws

Dear Mr. Coe:

This will confirm that I have reviewed and participated in the proposed amendment to the bylaws of Colonial Behavioral Health. Specifically, under Article IV- Powers and Duties of the Board of Directors, anew paragraph "q" has been added to section 1. It reads as follows:

"...Accordingly, the powers and duties of the Board include but are not limited to the following:

q. Approve or disapprove all individual expenditures of CBH in excess of Fifty Thousand Dollars (\$50,000.00)."

It is my opinion that this proposed amendment is lawful and is not inconsistent with other provisions of the bylaws. I recommend approval.

Trusting that this Opinion of Counsel provides the guidance that you have requested, I remain,

Very Truly Yours,

Carney Patterson Meade, PLC

FISCAL AGENT AGREEMENT with YORK COUNTY

Background

The Counties of York and James City, and the Cities of Williamsburg and Poquoson, each acting upon proper resolution and pursuant to law, have established Colonial Behavioral Health as the community services board for the benefit of their citizens and further, designated the County of York as fiscal agent for Colonial Behavioral Health.

On August 2, 1990, the York County Board of Supervisors adopted Resolution R90-169 accepting the designation of the County of York as fiscal agent for Colonial Behavioral Health and assumed the fiscal agent duties thereunder, in concert and cooperation with the Treasurer of York County.

Since then, the County of York, through the Office of the Treasurer and in collaboration with Colonial Behavioral Health, has been carrying out the responsibilities of fiscal agent in accordance with applicable laws, policies, and procedures. This arrangement has been implemented and maintained through long-standing practice and mutual understanding among the parties.

The County of York, Colonial Behavioral Health, and the Treasurer of York County find it appropriate to set out and memorialize their respective obligations concerning the responsibilities of each party. As such, all parties desire to establish a fiscal agency memorandum of agreement, which reflects how fiscal agency responsibilities have been historically and currently administered and shall continue to serve as the basis for this cooperative relationship going forward.

The attached Fiscal Agent Agreement was approved by the York County Board of Supervisors at their Regular Meeting on May 20, 2025.

Adoption by the Colonial Behavioral Health Board of Directors is recommended at this time.

Board Policy Review Calendar

Background

CBH has been working with the Board's Executive Committee since January to develop a Board review calendar for agency governance policies.

The process has required several levels of review by both staff and Board members, which is summarized by the attachment "CBH Policy Review – Executive Committee Suggestions."

Based upon this review, the Executive Committee is recommending to the Board approval of the Board Policy Review Calendar (also contained as an attachment in this packet), as well as the notes contained on the attached page.

As a result of this process, Board governance policies will be reviewed on a regular basis. Those reviews will be informed by attorney recommendations related to frequency and content of those reviews.

Key to the success of this effort is the creation of a CBH Board Sharepoint site that will contain each of the agency governance policies. Other key governance documents may also be placed there for review throughout the year.

The information in the attachments is not yet in policy format, but (upon approval) will be built into the first policy in this process, which is *Policy #1 – Policy Formation*.

Motion from the Executive Committee

That the CBH Board of Directors approve the proposed Board Policy Review Calendar.

Amendment to PPEA Interim Agreement With Henderson, Inc.

Background

On May 27, 2025, the James City County Board of Supervisors approved a resolution authorizing the County Administrator to execute all necessary documents to transfer approximately fourteen acres of surplus Eastern State Hospital property to Colonial Behavioral Health's (CBH) land-holding entity, Colonial Community Services, Inc.

CBH will soon have full control of the site and may proceed with demolition of the existing building located on the parcel. To maintain the project's aggressive schedule, CBH's design-build contractor, Henderson, Inc., has already submitted a demolition permit application to James City County.

To authorize Henderson, Inc. to begin demolition, the existing interim agreement must be amended. Due to uncertainty surrounding the timing of the land conveyance, demolition services were intentionally excluded from the original contract. At the time, CBH and Henderson agreed to either amend the interim agreement or incorporate demolition into a future comprehensive agreement—whichever proved timelier.

Demolition costs were estimated at \$500,000 and included in the original project budget. CBH has sufficient funds available through a grant from the Commonwealth of Virginia. Because the demolition cost is below the original budget estimate, Henderson, Inc. recommends spending an additional \$124,975 to get construction documents to 50% design as part of the Interim Agreement to keep the project moving until the Comprehensive Agreement is presented to the Board of Directors on July 25, 2025, at their summer meeting. The additional \$124,975 will not impact the overall project budget.

Should the board wish to limit this amendment to demolition only, an alternative action is below.

Attached is "Exhibit A," provided by Henderson, Inc. for your reference.

Recommended Motion:

Authorize the CBH Executive Director to amend Contract #C240325 – Interim Agreement with Henderson, Inc. – to include demolition of the existing building on the newly acquired property. The contract amendment shall not exceed \$485,529.

Action Item A-10

Alternative Motion:

Authorize the CBH Executive Director to amend Contract #C240325 – Interim Agreement with Henderson, Inc. – to include demolition of the existing building on the newly acquired property. The contract amendment shall not exceed \$334,626.

COLONIAL BEHAVIORAL HEALTH Executive Director's Report – June 2025

Agency Issues

- 1. We are pleased to announce that JCC held the Public Hearing regarding conveyance of the surplus state parcel to CBH/CCSI on May 20th. Since that time all signatures necessary for conveyance have been provided by the state, and the County's conveyance vote is being held May 27, 2025. With this expectation, CCSI should be the legal owner of the parcel by the date of this Board meeting.
- 2. The date for this year's Board Planning Day has been established as Friday, July 25, 2025. The location is yet to be determined. The 2023 location was in the City of Williamsburg, with the 2024 location in JCC. We will be seeking a different locality this year.
 - **a.** We anticipate the provision of some Board training topics, as well as work related to our capital projects for both the Center for Support & Wellness (CSW) and the second building on the new "Cardinal Ridge" site.
 - **b.** We also anticipate holding a Regular Board meeting in the afternoon related to policy considerations, potential approval of the Comprehensive Agreement with Henderson, Inc on the CSW project, likely revisions to the operating budget, and the FY 2026 DBHDS Performance Contract.

Community Issues

- 1. September 10, 2025, has been scheduled as the date for our crisis services center Groundbreaking event at the Cardinal Ridge site. That date also corresponds to World Suicide Prevention Day. Early inquiries have begun to coordinate schedules allowing state leaders to attend, with JCC providing much-appreciated logistical support for the event.
- 2. Cuts to Permanent Supportive Housing funding for other community partners has challenged our community to identify appropriate safety net measures for affected individuals and families. We are pleased that DBHDS will provide CBH with additional funds to support qualifying individuals, beginning with one-time "bridge" funds. Some or all those funds may convert to long-term slots, but that process has not yet been determined by the state.
- 3. CBH and the City of Williamsburg have begun a pilot program (Project HOPE) to connect homeless individuals with services and supports, some of which will include CBH services. Future efforts will be planned based on the outcome of this pilot.

Regional Issues

1. There are no substantive regional updates for this Report.

Public Policy

- 1. At the time of the report's writing, DBHDS has not yet provided CSBs with an actionable Performance Contract. That contract is typically voted on in concert with the annual operating budget.
- 2. We continue to monitor the potential impact of Federal changes to safety net services. Impacts remain unclear on Medicaid, Federal staffing, and CCBHCs.

Respectfully submitted, David A. Coe
